MITSUBISHI HITACHI POWER SYSTEMS

Mitsubishi Hitachi Power Systems (MHPS), a thermal power generation systems company jointly established by Mitsubishi Heavy Industries and Hitachi, have launched business operations effective February 1, 2014. The new venture, MHPS combines the global fossil business of both companies. This historic merger combines 150 years of technology leadership in power generation solutions. Through the joined talent and resources, the mission of the new joint venture is to bring its superior technological products to broader markets rapidly and cost effectively, and with greater project execution and service support. Visit www.mpshq.com for more information.

Gulfstream® A GENERAL DYNAMICS COMPANY

Gulfstream has led the evolution of business and personal aviation since the 1958 debut of the Gulfstream I, the world's first purpose-built business aircraft. Today, Gulfstream produces the world's most advanced business aircraft, with innovations from nose to tail and wingtip to wingtip, all while offering unmatched global product support and service. Gulfstream's commitment to excellence reflects that of its parent company, General Dynamics. Headquartered in Falls Church, Virginia, General Dynamics is a market leader in business aviation; land and expeditionary combat systems, armaments and munitions; shipbuilding and marine systems; and information systems and technologies. General Dynamics' workforce numbers more than 95,000 employees worldwide. Visit www.gulfstream.com for more information.

GEORGIA PORTS

Since 1945, Georgia's have served as magnets for international trade and investment, enriching the state's economy to benefit all Georgians. Georgia's deep-water ports in Savannah and Brunswick, together with inland barge operations in Bainbridge and Columbus, are Georgia's gateways to the world through which raw materials and finished products flow to and from destinations around the globe. GPA operations, together with private sector, port-related operations, account for more than 369,000 jobs statewide, \$84.1 billion dollars in revenue, and income exceeding \$20.4 billion annually. **The Port of Savannah**, home to the largest single-terminal container facility of its kind in North America, is comprised of 2 modern, deepwater terminals: Garden City Terminal and Ocean Terminal. Visit www.gaports.com for more information.
